Instructions: Find the underlined words in the above find-a-word.

Families come in all sorts of shapes and sizes. Some children live with just their daddy, and some with just their mommy. Some live with a grandparent, and some have two mommies or two daddies. And some are adopted or live with foster families. Some people believe pets are family members! In some families everyone has the same hobby, and in others everyone likes doing different things. What is your family like?
